A total of 931 patients were admitted in IPD of the hospital during the FY 2010-11, a decrease of eight percent (8%) compared to previous year. Average bed occupancy was reported to be 51.50%.

HOSPITAL RECORD KEEPING:

A systematic data entry and record-keeping of all IPD patients has been initiated and records from 2008-09 to 2010-11 are completed and entered in the database. This is a step forward in the direction of Medical records Division of NIH, envisioned for the future when new hospital building is completed.

HOSPITAL KITCHEN & DIET:

At present raw materials are procured from suppliers and prescribed diet for the admitted patients are prepared by our own staff in the in-house kitchen of the institute. The dietician looks into special requirements or recommendations for the diet of the patients. The hospital kitchen has recently been modernized to serve for 250 bedded hospital after expansion program is done.

DISPENSARY:

The prescribed medicine of the IPD & OPD patients are dispensed from the in-house dispensary of the hospital. Emphasis is given to dispense the quality medicines to the patients at free of cost. Necessary care is taken so that every patient is served accurately the prescribed medicine. Adequate stock of medicine is maintained as per the approved formulary of the institute.

AMBULANCE SERVICE:

The hospital also provides ambulance service for transportation of the patients when required in emergency. Ambulance is available round the clock for which ambulance driver has been accommodated inside the campus for service as and when required.

OPERATION THEATRE:

The Hospital is having well equipped, two modern operation theatres with apparatus/instruments, such as pulse-oxymeter, diathermy, portable ECG and X-ray etc. Operation techniques are demonstrated to the students for training. The Institute has a labour room and provides antenatal and post-natal care to the mother and child.
